

Description of an Active Saint Simon Parishioner

An active Saint Simon parishioner lives out their discipleship by:

- Being a registered parishioner of Saint Simon the Apostle Catholic Church
- The family attends Sunday Mass and Holy Days of Obligation faithfully, mostly at Saint Simon.
- Shares their God-given blessings with our parish community and the greater community.
- Shares their time in our Saint Simon community through participation in various ministries.
- Supports our parish through sacrificially sharing of their financial treasure.
- Shares their talents within our Saint Simon community to build up the Kingdom of God.
- Is committed to deepening their relationship with God through prayer.
- Loves God with their whole mind, heart, and soul and loves their neighbor as yourself.

All of the above descriptions are important in living our faith. An added benefit is that active parishioners receive the parishioner tuition rates at Saint Simon and in our Archdiocesan High Schools. In early spring of each year, the Catholic high schools request from parishes a list of families that have active parishioner status.

Families not registered at St. Simon Catholic Church

Incoming Catholic families must obtain a letter of good standing from their previous parish to receive the benefit of parishioner tuition rates. Newly registered families enjoy a grace period of one school year granted to give their family time to grow into full participation in the life our parish community.

Non-Catholic and non-parishioner families must pay full tuition.

We are a welcoming community. Your child(ren) and your family are invited to participate as fully as possible in the life of our community. Should your hearts be moved to desire to enter into the faith tradition of the Catholic Church, we are happy to walk with you in your discernment and to welcome you.
