

Welcome

Welcome to Saint Simon the Apostle Catholic School. Saint Simon School is a parish school committed to a quality, faithful education based in Catholic values and traditions.

We are recognized as a National Blue Ribbon School by the U.S. Department of Education and classified as an "Exemplary" school by the Indiana Department of Education. Our students take the solid foundation in faith, academics, the arts, and the self-discipline developed at Saint Simon and demonstrates success at the best high schools in the area.

We strive to be a welcoming community where students and parents can become involved and active members of the school and parish. Saint Simon has a very active PFO and CYO athletic program. We invite our parents to become involved with the school and parish through the many activities and chaperone opportunities.

Students take an active part in worship as lectors, gift bearers, cantors and servers. Students may participate in the many extra-curricular activities to expand both creativity and discipline. Saint Simon strives to provide activities that support our students' minds, bodies and spirit.

Our teachers are dedicated to providing faithful witness, caring classroom environment and challenging instructional experiences for our students. Forty percent of our teachers hold a Masters degree and ninety-three percent have previously taught in a Catholic School setting.

We offer a rigorous curriculum that meets or exceeds our already high state standards. Our testing results show a high level of student academic growth that is clearly related to the skill of our teachers and the hard work of our students.
